

# **Reimburseopoly - Decode Medicare's Mobility Assistive Equipment (MAE) Documentation Requirements**

**.8 CEU's (8 hours)**

Julie Piriano, PT, ATP/SMS

VP, Clinical Education, Rehab Industry Affairs & Compliance Officer  
Pride Mobility Products Corp.

## **Course Description:**

This comprehensive course will examine the questions outlined in the National Coverage Determination for Mobility Assistive Equipment. Attendees will take a detailed look at Medicare's policy, coverage criteria and documentation requirements. This course will provide the clinician with practical tools to incorporate into the evaluation and documentation requirements and assist the supplier in reading and interpreting the information provided for the equipment that is recommended. Participants will have the opportunity to utilize knowledge obtained during the lecture portion and/or apply general knowledge of Medicare's mobility assistive equipment (MAE) policy and coverage criteria (i.e. documentation requirements) to the review of case study claim examples to obtain and retain appropriate funding for mobility assistive equipment.

## **Learning Objectives:**

- 1) Upon review of Medicare's mobility assistive equipment (MAE) policy and coverage criteria, participants will be able to identify a minimum of three (3) coverage requirements necessary to obtain Medicare reimbursement for mobility assistive equipment (MAE).
- 2) Participants will be able to identify at least three (3) documents that are required to be a part of a beneficiaries medical record to obtain Medicare reimbursement for mobility assistive equipment (MAE).
- 3) Participants will be able to identify a minimum of three (3) guidelines to ensure documentation requirements are compliant with Medicare policy and coverage criteria for mobility assistive equipment (MAE).
- 4) Participants will be able to identify at least two (2) successful strategies to obtain documentation from clinicians to meet Medicare requirements.

## **Course Content:**

- Introduction, review learning objectives and an overview of a recent proposed Medicare demonstration project affecting certain mobility assistive equipment. Review compliance requirements for MAE to ensure that all parties involved understand the implications.
- Coverage criteria for MAE including specific documentation requirements – i.e. face to face examination, LCMP evaluation, prescription and DPD.

-Coverage criteria for MAE including specific documentation requirements – i.e. face to face examination, LCMP evaluation, prescription and DPD.

-Coverage criteria for MAE including specific documentation requirements – i.e. face to face examination, LCMP evaluation, prescription and DPD.

-CASE STUDY #1 - Incorporate question/answer series to discuss coverage criteria for MAE including the specific documentation requirements.

-CASE STUDY #2 - Incorporate question/answer series to discuss coverage criteria for MAE including the specific documentation requirements.

-CASE STUDY #3 - Incorporate question/answer series to discuss coverage criteria for MAE including the specific documentation requirements.

-CASE STUDY #4 - Incorporate question/answer series to discuss coverage criteria for MAE including the specific documentation requirements.

**TARGET AUDIENCE:**

***Licensed/Certified Medical Professional (i.e. PT, OT, Physician, Nurse, etc.)***

***Rehab Professional (i.e. ATP, CRTS, Seating specialist, etc.)***

***Reimbursement & Billing Specialists***
